Additional Requirement

Police Background Check

Please note:

To remain in the Early Childhood and Elementary Education Specialization program and to be recommended for certification, students must:

1. achieve at least a "B" grade in each of the following practicum courses: **EDUC 295, 296, 297, 395, 396, 493, 494, 495, 496;**
and
2. achieve at least a "C+" grade in each of the following methods courses: **EDUC 222, 301, 380, 381, 382, 383, 384, 385, 386, 387, 388; THEO 355.**

Students who obtain a grade that is below the above required level will be placed on conditional standing within the program and will be so informed in writing. Students will be allowed to repeat the course in question only once, the next time the course is given, in order to achieve the required grade. (For the status of this grade as part of the student record, see [§16.3.13](#).)

Students who fail to achieve the above minimum grades in two internships/methods courses (i.e. failing the same internship/methods course twice or two different internships/methods courses) cannot continue in the program and will be required to withdraw from the Early Childhood and Elementary Education Specialization program (see [§16.3.13](#)).
